

Over **130,000** children, teens, and young adults in North Texas suffer from an emotional disturbance or addictive disorder.

This is why we need your help. From now until the end of April, join us in raising awareness and funds to support Youth180's mission to promote resiliency for youth and their families, empowering them on a path to a healthy and productive life. On April 28th, teams will gather to play in a Top Golf Tournament that will benefit the children and families we serve.

Our goal is to raise over \$30,000 this year. Every dollar raised goes towards providing low-cost, high-quality treatment and mental healthcare for children, teens, young adults, and families.

If you'd like to support, team sponsorships and underwriting opportunities are available.
